gokb

gokb - Reference Documentation

Authors:
Version: 0.1

Table of Contents

1 Introduction

This is an example documentation template. The syntax format is similar to [Textile](#)

You can apply formatting such as **bold**, *italic* and `code`. Bullets are possible too:

- Bullet 1
- Bullet 2

As well as numbered lists:

1. Number 1
2. Number 2

The documentation also handles links to [guide items](#) as well as [reference](#)

2 GOKb Component Property Matrix

This is the gokb KBComponent matrix

	org.gokb.cred.KBComponent	org.gokb.cred.Package	org.gokb.cred.I
additionalProperties	Y	Y	Y
